

# Carpet Cleaning Checklist

Great Choice Flooring Ltd – 079 079 88878

To ensure a smooth and professional service, on the day of your carpet cleaning please ensure you are aware of the following:

- ⇒ On the day of the clean all I need is to be able to get close to the property and access
- ⇒ BEWARE OF SLIP HAZARDS on any smooth flooring e.g stone, laminate, vinyl etc.
- ⇒ Don't put anything WOOD or METAL on the carpet until it is totally dry. Plastic is fine.
- ⇒ Payment is to be made on the day by card or cash please.
- ⇒ Carpet drying times are usually about 4-6 hours (depending on warmth, air flow, fibre type etc)
- ⇒ Please ensure you keep your pets shut away as I will be running hoses through doors.
- ⇒ Please air the room(s) as much as possible to stop a damp smell forming
- ⇒ It's fine for you to walk on the carpets, but not "ideal." If you can wait a few hours that's ideal.
- ⇒ Wool carpets? They will smell of wet hair after cleaning - the smell will go once properly aired.
- ⇒ Please air the room(s) as much as possible to stop a damp smell forming.
- ⇒ If you have any questions do call me on 079 079 88878.

Finally, as a company we believe in giving back! Therefore:

- 1) If you tell others about us and they choose us, I'll donate £10 to charity.
- 2) If you leave us a 5\* review on Google after your clean, I'll donate another £10 to charity.
